

II. AMENDMENTS TO THE CLAIMS

- AMENDMENTS TO THE CLAIMS:

- *Marked up version*

18. (CANCELLED) The low gluten wafer pre-cooked mixture according to claim 1, where said wheat starch and pre-gelatinized wheat starch are provided in substantially equal amounts;

19. (CANCELLED) A low gluten wafer made from the pre-cooked mixture in claim 18.

20. (CANCELLED) The low gluten wafer in claim 19 made by the process of:
placing between about $1/20^{\text{th}}$ of a teaspoon to about $1/2$ of a teaspoon in volume of the pre-cooked mixture on a substrate;

heating the substrate/pre-cooked mixture in a cooking environment having a temperature between about 250 degrees Fahrenheit to about 400 degrees Fahrenheit for between about 5 minutes to about 10 minutes; and removing the low gluten wafer from the substrate.

- AMENDMENTS TO THE CLAIMS:

- *Clean version*

18. (CANCELLED)

19. (CANCELLED)

20. (CANCELLED)
